

Examples of my work

Indigo Box (Responsive website) - Based on a group project from the second year of my degree, I have recently redeveloped and redesigned the entire website from scratch. The website is fully responsive and therefore adapts for use on mobile devices and tablets.

Skills and software used - HTML5, CSS and Adobe Dreamweaver

[6 sheets - 48 sheets - 96 sheets - LED]

Bus Stops

Bus stops provide an ideal space in which to communicate your brand or product. They have the potential to reach millions of commuters and travellers as well as help promote your business to people simply passing by.

Photo Gallery: [1] - [2] - [3]

Available locations:

Address	Description	Traffic Density	Price per week	Street View
Baker Street	Busy high street full of tourists.	302,000 ppl p/w	£505	Click here
Knightsbridge Green	Near to large park.	79,000 ppl p/w	£440	Click here
Victoria Embankment	Main road into Westminster, mainly traffic passing and tourists in area.	400,000 ppl p/w	£735	Click here

6 Sheets

6 sheets are the ideal advertising media format for communicating your brand, product or business to potential consumers on the move. Our 6 sheets are strategically located on busy roads, in shopping centres as well as multiple locations throughout the London underground.
